

# Contents

<b>Foreword</b>	v
<b>Preface</b>	vii
<b>Contributors</b>	ix
<b>1. Entrepreneurial Need and Inculcation</b>	<b>1</b>
Need for Achievement 1	
Capacity to Assume Risk 1	
Taking initiative 2	
Seek Feedback of Own Efforts 2	
Long-term Involvement and Possess Drive 2	
Self-confidence 2	
Money as Measure of Performance 2	
Orientation towards Future Goals 2	
Persistent Problem Solving 2	
Resource Utilization 3	
Set High Standard for Themselves 3	
Tolerance to Ambiguity 3	
Creative and Innovators 3	
Some Prevalent Myths about Entrepreneurs 3	
The Entrepreneur's Primary Motivation is a Desire for Wealth 3	
Entrepreneurs are High Risk-takers 4	
Entrepreneurs are Amoral 4	
Entrepreneurs are Power Hungry Empire Builders 4	
Entrepreneurs are Inventors 5	
Entrepreneurs are Born 5	
Intrapreneur 6	
Entrepreneurship 6	
Entrepreneurial Awareness in a Society can be Created/ Generated 11	
Integrated Strategy 11	
<b>2. Basics of Entrepreneurship for Livestock-based Enterprises</b>	<b>13</b>
Characteristics of an Entrepreneur 13	
Characteristics of an Entrepreneur in Livestock Business 13	
Prerequisites for Livestock Farming Enterprise 14	
Selection of Livestock for Farming 14	
Seasonal Fluctuations in the Demand of Livestock Products 15	
Need of Information Supply in Remote Areas for the Availability of Markets 16	
Nomenclature of Value-added Products 16	
Revival and Introduction of Old and Forgotten Recipe 16	
Development of Demand in Consumers 17	
Present Status of Supply of Foods of Animal Origin and Future Scope 17	
<b>3. Career Opportunities for Veterinary Graduates</b>	<b>18</b>
Veterinary Profession 18	
Importance of Veterinary Profession 18	
Veterinary Education in India 19	
Career Opportunities for Veterinary Graduates 19	
Animal Husbandry Departments of State Governments 19	
Pradeshik Co-operative Dairy Federation (PCDF) 20	
Entrepreneurship 20	
Pharmaceutical Companies 20	
Remount Veterinary Corps (RVC) 20	
Paramilitary Forces 20	
Bank and Insurance Companies 20	
Private Poultry Production and Dairy Farms 21	
Stud Farms/Race Course 21	
<b>4. Avenues of Entrepreneurship in Public and Private Sector</b>	<b>24</b>
Global Employment and Unemployment Situation 24	
Indian Employment and Unemployment Scenario 25	
Recommendations of Planning Commission 25	
What is Entrepreneurship? 26	
Role of Government in Entrepreneurship Development 26	
Empowering Strategies 26	
Employment and Income Generation 26	
Welfare and Support Services 27	
Other Enabling Measures 27	
Role of NGOs in Entrepreneurship Development 27	
Financial Support 27	
Entrepreneurial Training 27	
Avenues of Employment/Self-employment in Agriculture and Allied Sector 28	
Agriclinics and Agribusiness Centres 28	
Food Technologies 28	
Biotechnology 28	
Extension Education 29	
Floriculture 29	
Dairy 29	
Horticulture 30	
Plant Breeder 31	
Sericulture 31	
Agronomy 31	
Agricultural Engineering 31	
Lac Cultivation 32	
Agricultural Meteorology 32	
Tea 32	
Avenues of Employment/Self-employment in Veterinary 33	
Entrepreneurship Development 34	
Snap-shot of Veterinary Profession 35	
Conclusion 38	
<b>5. Development of Enterprise in Livestock Sector</b>	<b>40</b>
Livestock Rearing Practices in India 40	
Animal Census and Economic Importance of Livestock Sector 41	
Commercializing the Livestock Enterprises 43	
Development of Commercial Dairy Farms 43	
Economics of Small Dairy Unit (Rathore and Sharma, 2007) 45	
Development of Commercial Sheep Farms 46	
Development of Commercial Goat Farms 46	
Establishing Commercial Poultry Farms 47	
Development of Piggery Farm 48	
Buffalo Calves Rearing for Meat Purpose 52	
Commercial Dry Cattle/Buffalo Rearing Units 52	
Commercial Cattle/Buffalo Calf Rearing Units 52	
Integrated Livestock Farming 52	
Livestock Input Industry for Entrepreneurship Generation 53	
Commercial Feed and Fooder Production 53	
Commercial Breeding Units 54	

## **xii Entrepreneurship in Livestock and Agriculture**

Commercial Livestock First Aid Clinics 55  
Organic Livestock Production Units 56  
Livestock Product Post-Harvest Processing Units 56  
Processing Units for Important Organs of Dead Animals 57  
Loan from Banks 57  
Model Scheme for Financing a Dairy Unit of  
10 Cross-bred Cows 57  
Financing for Poultry Units 58  
Insurance Schemes for Livestock Sector 59  
Conclusion 59

### **6. Need for Entrepreneurship in Agriculture Sector**

61

Unemployment Scenario 62  
Shrinking Agricultural Fields 63  
Agriculture to Agribusiness 66  
Need for Entrepreneurship Development 67  
Where does this Lead? 67  
Imperative Path 68  
Micro-enterprises to be Promoted 70  
Micro-credit and Self-help group 70  
Enabling Policies 71  
Conclusion 72

### **7. Entrepreneurship Development in Agriculture and Horticulture**

73

Main Problems in this Sector 73  
Agripreneurship (Agri-entrepreneurship): The Ray of Hope 74  
Possible Areas of Agripreneurial Development 74  
Some Other Agri-entrepreneurial (Agripreneurial) Areas 77  
Agripreneurship Promotion and Development 77  
Schemes of National Horticulture Board (NHB) 78  
Agricultural and Processed Food Products Export Development  
Authority (APEDA) 80  
Synergy for Integrated Development 83  
Example of State Government's Efforts 83  
Example of Mandi Parishad's Efforts 84  
Example of Farmer/Grower Association's Efforts 84  
Example of Private Company's Efforts 84  
UNDP's Entrepreneurial Promotion Initiatives in Uttaranchal 85

### **8. Strategies for Entrepreneurship: Poultry Farming**

87

Advantages of Adopting Poultry Farming 88  
The Rural Poultry Production Scenario 89  
Strategies for Promoting Successful Poultry Farming in Rural  
Areas 90  
Management Principles for Rural Poultry Farming 90  
Poultry House Management 91  
Source of Chicks 91  
Nutrition 91  
Hygiene and Disinfection 91  
Diagnosis, Prophylaxis and Treatment 91  
Biosecurity: The First Line of Defense 92  
Key Principles of Biosecurity 92  
Disease Prevention and Control Programmes 93  
Strengthening of Extension Activities 95  
Education and Training 95  
Mass Popularization 96  
Databases 96  
Veterinary Health Services 97  
Balanced Feed and Nutrition 98  
Diversified Poultry Production System 98  
Development of Marketing Facilities and Value-added Poultry  
Products 98  
Interactions and Networking 99  
Encouraging Women in Rural Poultry Production 99  
Research and Development (R&D) Strategies 100  
Breed Improvement Programmes 101  
Encouraging Entrepreneurship and Promoting Skills 101  
Development of High-tech Model Villages 102  
Advantages of Promoting Poultry Farming in Rural Areas 102  
Conclusion 102

### **9. Piggery Enterprise: A Case Study**

104

Introduction of LWY Breed at Farmers Field 106  
Feeding Management 106  
Housing Management 107  
Breeding Management 107

Management of Piglets and Pregnant 107  
Marketing Management 107  
Results and Discussion 107  
Performance of LWY Breed at Farmers Field 108  
Comparative Performance of LWY vs. Local Breed 109  
Constraints and Feedback 110  
Conclusions 112

### **10. Entrepreneurship Development: A Success Story of Hiware Bazaar Village of Maharashtra**

113

Natural Resources Management 113  
History of Hiware Bazaar 115  
New Leadership: New Direction 116  
Natural Resource Management through Voluntary Labour 117  
Impact of Natural Resource Management and Watershed  
Development 117  
Implementation of Adarsh Gaon Yojana 118  
Entrepreneurship Development 120  
Water Management and Conservation 121  
Infrastructural Development 122  
Conclusion 123

### **11. Sources and Utilization of Specialty Hair Fibres of Livestock**

124

Source and Utilization 125  
Cashmere Goat 125  
Angora Goat: Mohair 125  
Yak 126  
Angora Rabbit 126  
Camel Hair 127  
Fibre Processing 127  
Weaving 128  
Use of Specialty Fibres for Technical Textiles 128

### **12. Entrepreneurship Development through Vermi-composting**

130

Vermi-composting 130  
Some Facts about Vermiculture 131  
Progress of Worm Industry 131  
Turning Garbage into Money 132  
Why Vermi-composting? 132  
Fertilizers Use and Deterioration of Soil Environment 132  
Nitrogen and Humification in Vermi-composting 133  
Vermi-compost—A Quality Manure 133  
Recycling of Wastes through Vermi-composting 134  
Minimizing Pollution Hazard 134  
Providing Growth Promoters 134  
Black Gold (Worm Casting) from Worms 134  
How Vermi-composting 134  
Vermi-composting Materials 134  
Vermi-composting: General Procedures at Agricultural  
Farms 136  
Business of Worms 136  
Economic Viability 139  
Conclusion 139

### **13. Agriclincs and Agribusiness Centres for Promoting Agripreneurship**

140

Genesis of Agriclincs and Agribusiness Centres 141  
Aim of the Scheme 142  
Demand Dimension 143  
Supply Dimension 144  
Framework of the Scheme 144  
Activity Areas 144  
Agripreneurship 145  
Conclusion 146

### **14. Gender Role in Animal Husbandry Enterprises**

147

Socio-economic Profile of the Respondents 147  
Overall Extent of Involvement in Animal Husbandry  
Practices 148  
Practice-wise Extent of Involvement in Animal Husbandry  
Practices 148  
Involvement in Decision-making about Animal Husbandry  
Practices 150

Problems of Gender regarding Involvement in Animal Husbandry Practices	150
Problems of Gender regarding Decision-making about Animal Husbandry Practices	150
Conclusion	150
Some Suggestion based on Findings	152

## 15. Women Empowerment: Systems and their Effect on Development of Women Entrepreneurship 154

Entrepreneurship	155
Characteristics of an Entrepreneur	156
Different Kinds of Systems and their Effect on Entrepreneurship Development	159
Entrepreneurship Development	160
Conclusion	163

## 16. Entrepreneurship through Self-help Groups of Women in Livestock Sector 164

Women Entrepreneurship through Self-help Groups	165
Micro-finance	166
Entrepreneurship Development through SHGs	166
Concept of SHG	167
Micro-enterprises	167
Government Efforts to Promote Women's Entrepreneurship	168
Activities Suitable for Women Entrepreneurs	168
Institutions Helping the Women Entrepreneurs	169
Financial Institutions	169
Institutions for Technical Guidance	169
Training Institutions	170
Schemes Available	170
Subsidies and Concessions to Entrepreneurs	170
Factors affecting Women Entrepreneurs	170
Immobility of Women	171
Lack of Training and Technical Assistance	171
Immoral Behaviour of Men towards Women	171
Traditional Value System	171
Low Level of Literacy	171
More Household Responsibilities with Women	172
Lack of Awareness	172
Access to Markets	172
Non-availability of Proper Guidance	172
Difficulties in Availing of Loan Schemes	172
Measures to Strengthen Women's Entrepreneurship	172

## 17. Women Empowerment and Entrepreneurship Development through Self-help Groups 174

Women Empowerment	175
Krishi Vigyan Kendra and Farm Women	175
Entrepreneurship Development	177
Self-help Groups (SHG)	178
Advantages of Self-help Groups	178
Case Study of a Self-help Group	179
Impact of Self-help Group	181
Conclusion	182

## 18. Business Acumen and Business Communication for Establishing Livestock Enterprise 183

Business Acumen for Livestock Business	183
Reality Check about Entrepreneurial Acumen	185
Business Acumen Inventory for a Livestock Entrepreneur	185
Organizational Acumen	185
Financial Acumen	186
Marketing Acumen	186
Competing Acumen	186
Operational Acumen	187
Knowing the Basics—Foundation Acumen	187
Mental Acumen	189
Visionary Acumen	189
Confidentiality Acumen	189
Relationship Acumen	189
Technical Acumen	189

Business Communication Acumen	190
Mastering the Skills of Business Communication	191
Communication Needs	192
Stakeholder	192
Government Agencies	192
Trade Organization	192
Competitor	192
Media	192
Few More Business Acumens	194
Innovation	194
Attitude	195
Social Capital	196
Managerial Resourcefulness	197
Acumen to Manage Human Resource	197
Conclusion	198

## 19. Economics of Disease Management for Entrepreneurs 199

The Economics of Animal Disease Control	200
Scientific and Technical Review	201
Application of Economic Animal Disease Control Policy	201
Demand and Supply	202
Elasticity	204
Organized Farm Study	205
Antibiotic Resistance	205
Prices of Factors of Production and of Durable Goods	208
Opportunity Cost and the Choice of Prices in Economic Analysis	208
Choice of Prices for Financial and Economic Analyses	209
Adjusting for Inflation-price Conversions and Price Indexes	210
Simple vs. Compound Growth (or Interest) Rates	210
Discounting and Compounding	211
Main Areas for Animal Health Economics	212
The Animal Health and Welfare Strategy	212
Direct Costs of Farm Animal Diseases	214
Economics of Animal Disease; Total Cost or Avoidable Losses	214
Health Schemes	215
Risk Management	216
Accounting for Time in Animal Health Economics	217
Conclusions	219

## 20. Economic Appraisal of Animal Disease Control: Strategies in Livestock Entrepreneurship Development 220

Animal Disease Economics	221
Financial Evaluation	221
Assessing the Economic Cost of Disease	221
Microeconomic vs. Macroeconomic Losses	222
Partial Farm Budgeting	223
Gross Margin Analysis	224
Social Benefit-cost Analysis	224
Points to Consider for Social Benefit-cost Analysis	225
Principle of Social Benefit-cost Analysis	226
Components of Social Benefit-cost Analysis	226
Internal, External Costs and Benefits	226
Evaluation and Strategy Comparisons	228
Cost Effectiveness Analysis	228

## 21. Role of Banks for Development of Agriculture and Livestock Sector 230

Banks' Role in the Rural Economy	231
Overview of Indian Agriculture	232
Agriculture Scenario in India	233
Development Banker—Roles Redefined	234
Role of Agriculture in Indian Economy	235
Indian Agriculture at a Glance	236
Green Revolution—Fatigue	236
National Agricultural Policy of Government (2002-2007)	239
Emerging Areas in Agriculture	239
Measures for Improving Flow of Credit to Agriculture—Special Agricultural Package announced by Government in 2004	240
Emerging Area in Livestock Production and Allied Activities	241
Agriclinic and Agribusiness Centres	242
Technical Aspects to be Considered while Financing Different Activities under Animal Husbandry	242
Dairy Farming	242

## **xiv Entrepreneurship in Livestock and Agriculture**

Financing for Dairying 243  
Package of Practices 244  
Model Scheme for Financing a Dairy Unit of 10 Cross-bred Cows 244  
Poultry Farming 245

### **22. Insurance Schemes for Livestock Sector 248**

Cattle Insurance 248  
Scope of Cover/Insurance Coverage 248  
Foetus (Unborn Calf) Insurance Scheme 248  
Calf Heifer Rearing Insurance Scheme 249  
Sheep and Goat Insurance 249  
Camel Insurance 249  
Pig Insurance 249  
Horse, Mule, Donkey, Pony, Yak Insurance 250  
Poultry Insurance 250  
Duck Insurance 250  
Cattle Insurance 251

### **23. Financial Credit and Financial Management 252**

Process of Project Appraisal 253  
Analyzing Economic Aspect 253  
Analyzing Technical Aspect 253  
Analyzing Financial Aspect 254  
Projects are Appraised in following Financial Aspects 254  
Commercial or Market Aspect Analysis 254  
Political and Labour Aspect Analysis 255  
Project Report 255  
Role of Development Banks in Project Appraisal 255  
Process of Project Evaluation by Development Bank 256  
Technical Appraisal 256  
Financial Appraisal 256  
Cost Estimates 256  
Financing Pattern 256  
Economic Appraisal 257  
Capital Expenditure Decisions 257  
Capital Expenditure Means 257  
Capital Budgeting 258  
Few Terminologies of Capital Budgeting 258  
Difference between Cash Flow and Profit 259  
Non-discounting Method 259  
Discounting Method 262  
Example of Capital Expenditure Decision 265  
Pay Back 266  
General Principle and Practices 267  
Capital Expenditure Project Decision in Public Sector 267

### **24. Managing Finance in Livestock Sector 271**

Are Goals Well Defined? 271  
Does the Entrepreneur have Right Strategy? 271  
Whether the Entrepreneur has Competence to Execute the Strategy? 271  
Financial management 272  
Capital Budgeting and Investment Decision 274  
Financing Decision 274  
Working Capital 274  
Financing of Livestock-based Business 275  
Dairy Farming 276  
Fisheries 276  
Poultry Farming 276  
Sheep and Goat Breeding 276

### **25. Latest Issues of WTO in Agriculture and Livestock Sector 277**

Formation of GATT/WTO 277  
Copyrights and Related Rights 278  
Trademarks 278  
Geographical Indications 278  
Industrial Designs 279  
Patents 279  
Layout of Designs of Integrated Circuits 280  
Protection of Undisclosed Information 280  
Some Important Issues in WTO Negotiations on Agriculture 280  
Sanitary and Phytosanitary (SPS) Measures 281  
International Standards 283

Codex Alimentarius Commission (CAC) 283  
International Des Epizooties (OIE) 283  
The Standard Setting Process 284  
The Present Reform Programme 284  
The Current Negotiations 285  
The Objective: Continuing Reductions and Other Issues 286  
The Doha Declaration 287  
The Doha Mandate 288  
Modalities 289  
Cancun Deadlock: September 2003 290  
The Negotiations in Geneva: March 2004 290  
Framework for Establishing Modalities in Agriculture 291  
Domestic Support 292  
Overall Reduction: A Tiered Formula 292  
Final Bound Total AMS: A Tiered Formula 293  
De Minimis 293  
Blue Box 293  
Green Box 294  
Export Competition 294  
End Point 294  
Implementation 295  
Special and Differential Treatment 295  
Special Circumstances 296  
Market Access 296  
The Single Approach: A Tiered Formula 296  
Sensitive Products 296  
Selection 296  
Treatment 296  
Other Elements 297  
Special and Differential Treatment 297  
Least Developed Countries 298  
Recently Acceded Members 298  
Monitoring and Surveillance 298  
Export Subsidies and Competition 298  
Export Subsidies: Phase 2 298  
Food Aid: Phase 2 299  
Food Aid: Preparations for 'Modalities' 299  
The Revised First Draft 'Modalities' on Food Aid 300  
End Point and Implementation 300  
Special and Differential Treatment 300  
Special Circumstances 301  
Market Access: Tariffs and Tariff Quotas 301  
Market Access: Special Agricultural Safeguards (SSGs) 301  
Food Safety: Phase 2 302  
Food Safety 302  
Consumer Information and Labelling 302  
Geographical Indications and Food Quality 303  
Domestic Support: Amber, Blue and Green Boxes 303  
Amber Box: Who Can Use It? 304  
The 'Amber Box' 304  
The 'Green Box' 305  
The 'Blue Box' 306  
August 2004 Framework: Domestic Support 307  
Overall: Tiered Formula with Down Payment 307  
Amber Box: Tiered Formula with Caps on Specific Products 307  
De Minimis 308  
Blue Box 308  
Green Box 308  
Developing Countries 308  
Phase 1 309  
Development Box, Single Commodity Producers, Small Island Developing States, Special and Differential Treatment 310  
Development Box Details 310  
Single Commodity Producers Details 311  
Special and Differential Treatment Details 311  
Rural Development 312  
Trade Preferences 312  
'Non-trade' Concerns: Agriculture can serve Many Purposes 313  
Food Security 314  
6th Ministerial Conference at Hong Kong 315  
Doha Development Agenda Carried Forward 316

### **26. Indian Negotiations on WTO Agreement and Livestock Sector 321**

Food Security 323  
Proposals 326  
Proposal on Market Access 328  
Proposals 330  
Proposal on Domestic Support 331  
Proposals 335  
Proposal on Export Competition 336  
Proposals 338

Implications of Agreement on Agriculture for India	339
Market Access	339
Domestic Support	340
Current Assessment of Implementation of Agreement on Agriculture	340
Measures to Safeguard Indian Agriculture	342
Agricultural Imports	343
Highlights of Indian Proposals	344
The Proposals in the First Category	345
The Proposals in the Second Category	345
Qanda: Trade in Agriculture—Uruguay Round and After: A brief Glimpse	346
Some Data Related to Agriculture Trade in WTO	350
Public Distribution System	353
WTO Agreement on Agriculture (At a Glance)	353

## 27. Creating and Sustaining Organizational Culture: A Dynamic Perspective 355

Organizational Culture: An Analytical Overview	356
Beginning of Organizational Culture	357
Components of Organizational Culture	358
Organizational Culture's Functions	359
Sustaining Organizational Culture	360
Organizational Culture as a Barrier	361
Organizational Cultures in the 21st Century	363
Sustaining Basics and Developing Variable Aspects of Organizational Culture: Conclusion	364

## 28. Micro-credit Facility for Women: The Benign Paradox 366

Why micro-credit?	367
Saving and Credit: Benefits	367
Saving and Credit: Warrant	368
Various Supportive Agencies involved in Micro-credit	369
Micro-credits to Micro-enterprises: Indian Content	370
Conclusion	370

## 29. Quality Control, Grading of Meat and Meat Animals for Entrepreneurship 372

Meat Animal Production	373
Subjective Evaluation of Meat Animals	374
Judging of Live Goat	374
Judging of Live Pig	375
Judging of Large Meat Animals	375
Transportation of Food Animals	376
Guidelines for Transport of Cattle and Buffaloes by Rail and Road (provided by the Bureau of Indian Standards) (IS: 4157 (Part-II) - 1968)	376
Guidelines for Transport of Sheep and Goats by Rail and Road (IS: 4157 (Part-II)—1983)	377
Guidelines for Transport of Poultry (IS: 5238 (Part-II)—1982)	378
Meat Inspection	379
Antemortem Inspection	379
Postmortem Inspection	380
Meat Grading	380
Importance of Grading in Meat Trade	381
Different Meat Grades	381
Retail Meat Cutting	382
Qualities of Meat	383
Factors affecting Quality of Fresh Meat	384
Major Changes in Muscle Postmortem	385
Postmortem Quality Problems	386
Regulations in Meat Sector	387

## 30. Expectations from Veterinary Professional 390

Historical Perspective of Veterinary Science	391
Development and Modernization of Veterinary Science	392
Veterinary Science	392
Role of Veterinary Professionals	393
Desirable Characteristics of a Veterinary Professional	393
Definition of Client's Expectations	394
Expectation from Veterinary Professional	394
Other Potentials of Veterinary Profession to Meet Expectations of the Country	396
Conclusion	397

## 31. Eco-jobs and Sustainable Development through Livestock 398

Brief History of Livestock Production Systems of India	399
Livestock Sector and Rural Economy	399
Sustainable Development of Livestock Sector	399
Eco-jobs and Livestock Sector Development for Sustainable Livelihood	400
Eco-jobs and Sustainable Livestock Sector	402

## 32. Role of Animal Husbandry for Livelihood Security to Indian Farming Community 403

Contributions of Livestock Sector	403
Animal Production	405
Cattle and Buffalo Production	405
Central Cattle Development Organizations (CCDO)	407
Buffalo Production	407
Challenges and Opportunities for Indian Meat Industry	408
Milk Production	408
Sheep and Goat Production	409
Poultry Production	410
Central Poultry Development Organizations	411
Swine Production	411
Existing Problems Limiting Animal Husbandry and Dairying	413
WTO in relation to Livestock Sector	413
Measures to Sustain Economy from Animal Husbandry and Dairying	415
Animal Health Technologies Developed at IVRI, Izatnagar, India	415
Constraints of Livestock Sector	416
Unorganized Production	416
Inadequacy of Fodder Availability	416
Inadequate Market Facility	416
Inadequate Disease Prevention Measures	416
Inadequate Credit Facilities and Financial Supports	417
Poor Livestock Health Services	417
Heavy Subsidies in the Developed Countries	417
Technical Barriers	418
Focus and Strategy in Tenth Plan	418
Future Strategies	418
Organization of Production System	418
Region Specific Approach	418
Fodder Availability	419
Reduction of Surplus Cattle	419
Cost-effective Ways of Rearing the Calves	419
Rural-based Abattoirs with Processing Facilities	419
Intellectual Property Rights	420
Adoption of Appropriate Technology	420
Adequate and Timely Financial Support	420
Remunerative Prices	420
Livestock Extension Services	420
Gender Issue	421
Effective Coverage of Livestock Insurance Scheme	421
Effective Monitoring of Management of Dairy Co-operative	421
Specialized Veterinary Services	421
Import Duty	421
Information System	422
Effective Breeding Strategy	422
Quality Standard of Livestock Products	422
Disease-free Zone	422
Health Aspect	422
Effective Quarantine Mechanism	423
Veterinary Educational System and Human Resources	423
Negotiations in International Market	423

## 33. Project Planning 426

Classification of Project	426
Project Identification	427
Functions in Project Planning	428
Market Survey	428
Project Capacity	428
Selection of Site	428
Plant Layout	428
Design and Drawing	429
Material Requirement	429
Operation Planning	429
Machine Loading	429
Sub-contract Consideration	430
Equipment Requirement	430
Organization Layout and Staff Requirement	430

Material Handling	430
Budgeting	430
Cost Calculation	430
Break-even Point	431
Critical Report on Feasibility	431
Choosing the Project	431
Project Implementation	432
Project Monitoring and Control	432
Efficiency of the Monitoring and Control depends upon the Efficiency of the Information System	432
Cost Control	432
Project Evaluation	433
Preparation of Project Report	433
Significance of Project Report	434
Contents of a Project Report	434
Project Appraisal	434
Common Errors in Project Formulation	435
Product Selection	435
Capacity Utilization Estimates	436
Market Study	436
Technology Selection	436
Location Selection	436
Selection of Ownership Form	436
Steps in setting up a Small Industrial Enterprise	436
Deciding to go into Business	436
Analyzing Strengths/Weaknesses	437
Product Selection	437
Market Survey	437
Form of Ownership	437
Location	437
Machinery and Equipment	437
Project Report	437
Finance	437
Power Connection	438
Installation of Machinery	438
Recruitment of Manpower	438

### **34. Need for Literature for Entrepreneurship Development 439**

Target Groups	440
Types of Literature	441

### **35. Role of Information Technology (IT) in Entrepreneurship Development in Livestock Sector 446**

Information Technology (IT)	447
Computer Technology	447
Communication Technologies	448
People	448
Teletext, Videotext and Teleconferencing	448
Advantages of IT	449
IT Applications in Development	449
Entrepreneurship Development	449
IT and Entrepreneurship Development in Agriculture	450
IT and Entrepreneurship Development in Livestock Sector	451

The Cyber Cafe/Internet Kiosk as a Business Model	452
Conclusion	452

### **36. Role of Information Technology (IT) in Entrepreneurship Development in Agriculture 454**

Information Technology and Agriculture	456
Agribusiness	457
Electronic Commerce in Agriculture	458
Sales and Channel Management	458
Conclusion	459

### **37. Role of IT in Micro-entrepreneurship in relation to Livestock Sector 460**

Digital Economy	460
Electronic Commerce (EC)	461
Major Business Pressures and the Role of EC	461
Pure versus Partial EC	461
Electronic Commerce Organization	462
Internet—Backbone of Digital Organizations	463
Intranet	463
Extranet	463
The Future of EC	463
Benefits of EC to Organizations	463
Benefits to Consumers	464
Benefits to Society	464
Conclusion	465

### **38. Interpersonal Skills for Establishing an Enterprise 466**

Technical Skills	467
Searching the Idea to Establish an Enterprise	467
Skills for Processing, Selection, Assembling Essentially required Inputs and Establishment of Enterprise	469
Human-Relation Skills	470
Leading	470
Motivating	471
Traditional Model	471
The Human Relation Model	471
Communication	471
Conceptual Skills	472
Administrative Skills	472
Planning	472
Organizing	472
Staffing	473
Controlling	473
Decision-making	473
Interpersonal Roles of Entrepreneur	475
Figurehead	475
Leaders	475
Liaison	475
Ability and Skills of Entrepreneur to Recognize the Barriers	476
Barriers	476
Ability of Entrepreneur to Overcome the Barrier	477
