## **PART-I: HEAD & NECK**

0. Naming Bones of Head & Neck .....	1
1. Introduction to Head and Neck .....	3
2. Scalp .....	5
3. Temporal Fossa .....	14
4. Face .....	17
5. Muscles of Back .....	34
6. Suboccipital Region .....	43
7. Posterior Canal .....	47
8. Vertebral Triangle .....	56
9. Eyelids and Lacrimal Apparatus .....	74
10. Dura Mater of Cranial Cavity and Dural Venous Sinuses .....	83
11. Orbit .....	97
12. Preauricular Region .....	118
13. Cervical Fascia .....	127
14. Anterior Triangle of Neck .....	132
15. Infratemporal Fossa .....	147
16. Temporomandibular Joint .....	156
17. Submandibular Region .....	165
18. Trachea and Oesophagus .....	172
19. Thyroid Gland .....	174
20. Root of Neck .....	184
21. Prevertebral Region .....	192

22. Styloid Apparatus and Lower Four Cranial Nerves .....	196
23. Lymphatic Drainage of Head and Neck .....	205
24. Joints of Neck .....	208
25. Mouth .....	214
26. Tongue .....	220
27. Soft Palate .....	226
28. Pharynx .....	230
29. Pterygopalatine Fossa .....	236
30. Nose .....	239
31. Paranasal Sinuses .....	248
32. Ear .....	251
33. Larynx .....	259

## PART-II: BRAIN

34. Introduction to Brain .....	269
35. Meninges .....	275
36. Blood Vessels of Brain .....	280
37. Inferior Aspect of Brain .....	292
38. Surface Features of Brain Stem .....	294
39. Fourth Ventricle .....	297
40. Tracts of Brain Stem and Spinal Cord .....	302
41. Cranial Nerve Nuclei in Brain Stem .....	310
42. Internal Structure of Brain Stem .....	314
43. Cerebellum .....	323
44. Surface Features of Cerebrum .....	332
45. Cerebral Cortex .....	344
46. White Matter of Cerebrum .....	351
47. Third Ventricle .....	362
48. Lateral Ventricle .....	366
49. Limbic System .....	375
50. Diencephalon .....	383
51. Metathalamus .....	391
52. Epithalamus .....	395
53. Hypothalamus .....	398
54. Subthalamus .....	403
55. Basal Ganglia .....	405
Index .....	409
